Construction projects require building permits. Please contact 770-719-4068 for the City's permit details. IF YOUR PROJECT ALSO QUALIFIES FOR PLANNING & ZONING REVIEW, YOU MUST RECEIVE FORMAL APPROVAL BEFORE FAÇADE GRANT APPLICATIONS WILL BE ACCEPTED.
> Part One: Summary of work to be completed (Attach Estimates):
Notes:
If paint or color improvements are planned, color swatches <u>must be</u>

If improvement project will change the structural appearance, please <u>attach</u> <u>sketch</u> of improvement.

submitted with this application.

> Part Two: Project Cost Summary: Total project cost anticipated: \$_____ \$_____ (not to exceed \$5,000) Grant funding requested: Please include \$100 application fee made payable to: Fayetteville DDA 240 Glynn Street South Fayetteville, Georgia 30214 I understand all work must comply with façade grant guidelines. I also understand any changes in approved façade improvement plans must be preapproved prior to work being completed, or those improvements could forfeit funding for the above project. I realize that I will be responsible for all work and cost improvements until the job is completed, at which time I will submit bills for review and reimbursement, not to exceed the approved amount.
